

KINGDOM IMPACT TEAM: INDIA

26 MAY - 6 JUNE 2022

REV. RANDALL HOWARD

*President, Kingdom Strategies
International; Senior Pastor,
Gate Church of the High Desert,
Victorville, CA*

“ I am excited to endorse and support the Kingdom Impact Team headed to India for the purpose of touching lives and transforming hearts! KSI has been working in India for nearly 20 years seeing well over 500 children come through our orphanage to find success in life because of Jesus. Our team will strengthen the local church, serve the community, improve our Christian school and see many come to know Christ by His amazing grace. Would you please consider supporting this team with a generous donation? Every penny will go to serve the gospel message and lift scores of families to a new level of life. You may not be able to go physically, but your contribution has eternal value and makes a way for you to truly be present! Thank you and may God richly bless you! ”

REV. DAVID SHAY

*Executive Vice President,
Kingdom Strategies
International; Pastor,
Living Church International,
Summerville, PA*

“ As director of KSI's Association for Cooperative Missions, I am thrilled to see strong partnerships forming in the Kingdom Alliance of International Ministries and the greater body of Christ to more strategically and effectively reach the nations with the Gospel of our Lord Jesus. The Kingdom Impact Team headed to India this spring will be building on the Kingdom work of Greater Hope Charitable Trust, providing **L.I.F.E.** to the people of Bangalore and Karnataka, India. We will be **LOVING** the children in our orphanage and the needy in the surrounding slum area, **INSPIRING** souls with the Word of God, **FEEDING** the hungry who are suffering more acutely due to the Covid impact, and **EDUCATING** through seminars for children, youth, school teachers and pastors. Please prayerfully consider supporting our team of pastors, educators, builders, health care workers and students as we partner to see *greater hope* planted in the heart of India for the Gospel of Messiah's Kingdom.

KSI's Kingdom Association for Cooperative Missions brings together short term ministry teams that make a long term commitment to our sponsoring ministries across the globe, strengthening the bonds of love and the true fellowship that comes through shared labor. Please consider a donation to increase the impact of this diverse and gifted team while they are ministering to the practical and spiritual needs of the people of Bangalore, India.
